Station Mangalore , *Dated the* 13th December 1920 19 21.

From (Name) The Hon'ble Rao Bahadur N. Subba Rao Avargal,
(Designation) President, District Board,
South Kanara

To The Secretary to the Government of Madras,
Local and Municipal Department.
Madras.

Sir,

I have the honour to state that vaccination is now compulsory in only 128 villages of the Local Fund area of -- this district. The Deputy Sanitary Commissioner, Southern--- Range, as well as the District Medical and Sanitary Officer-- strongly urge that vaccination should be made compulsory---- throughout the district as in Malabar. It is said that unless we have recourse to this measure it will be very difficult to carry on the group system of vaccination. Further, the extensive ranges of the Deputy Inspectors of Vaccination, the difficulty in travelling, the scattered condition of houses, the hilly condition of most of the interior --- villages and the heavy monsoon conditions lasting for four months in the year render the introduction of compulsory

vaccination absolutely necessary in order to obtain better results The District Board has after mature consideration of the above-- circumstances sanctioned the proposal. A copy of its resolution on the subject is enclosed and I request that Government may be-- pleased to sanction the proposal.

2. A draft notification in duplicate is enclosed.

I have the honour to be,

Sir,

Your most obedient Servant,

D Chambers
13 XII 20

For President.

Vaccination —
South Canara Dt — Introduction of Compulsory —

NOTES.

C.F. 16—17-2-14.

OFFICE NOTE.

SUBJECT. Introduction of Compulsory Vaccination throughout the S. Kanara Dt.

From The P. D. B. S. Kanara
786 M 13.12.20.

Register No. 9960

The South Kanara District Board proposes the introduction of Compulsory Vaccination in all the villages in the district from 1st April 1921 by the issue of a notification under section 106 of the Madras Local Boards Act, 1884.

2/1 The new Local Boards Act (XIV of 1920) will be brought into force from 1st April 1921, and under section 107 of this Act "Vaccination shall be Compulsory in any local area to which this Act applies, to the extent prescribed". The proposed notification may issue under this section. A draft order is submitted for approval. It may be forwarded to Home (Jud) Deptt for acceptance

Can you issue a notification under the Act before it is brought into force.
BNR. 19-1-21.

Page 3. c/s.

Vide section 237 of the new Act

NOTES.

Under the first proviso to section 237(1) of the new Madras Local Boards Act, the power to make or approve rules, bye-laws and regulations may be exercised at any time after the publication of the assent of the Governor-General. The assent was published on 4.1.21. There seems therefore to be no objection to the issue of a notification under the Act before it is brought into force, But this notification can only be a draft rule inviting criticism from the public. The draft order has been prepared accordingly

(J) 2. In para. 2. of G.O. 81 P. H. d 26.1.21 the Govt. have stated that the question of the introduction of Compulsory vaccination in all districts in the Presy will be considered on receipt of report from the T. G. (Secy) regarding the working of the new scheme of vaccination sanctioned in G.O. 763 d 4.7.17.

(E) For orders whether the question of making vaccination Compulsory throughout S. Kan dist. may also be considered in that Connection or whether the draft above may port up may issue.

ORDER.

No. 119 P.H., dated 15.2. 1921.

His Lordship approves the proposals of the South Kanara D.B. to make vaccination Compulsory throughout the dist. If any hardship is likely to be caused by the distance of any particular village from a magisterial Court, the Bd. might address the D. magistrate about the establishment of Panchayat Courts or benches of magistrates in such villages.

2. The approved notification will be published in the Fort St. George Gazette & in the S. Kanara D. Gazette.
